

MAGNETIC RESONANCE IMAGING (MRI)

PATIENT NOTIFICATION

This letter provides important information about MRI referrals. Please be advised that you may choose to have your MRI performed at any one of the following locations in your area including, but not limited to:

Hughston Diagnostics – Dothan
512 North Shady Lane
Dothan, AL 36303
800-331-2910

Hughston Diagnostics – Columbus
6262 Veterans Parkway
Columbus, Georgia
706-324-6661
800-331-2910

Jack Hughston Medical Center
4401 River Chase Drive
Phenix City, AL 36867
(334) 732-3000

Dothan Diagnostics
2240 W Main St.
Dothan, AL 36301
(334) 792-1525

Open MRI
366 James St
Ozark, AL 36360
(334) 774-7350

Flowers Hospital
4370 West Main St.
Dothan, AL 36305
334-793-5000

South East Medical Center
1108 Ross Clark Circle
Dothan, AL 36301
334-793-8111

Hughston Diagnostics utilizes a 1.5 Tesla GE MRI machine, which is accredited with the American College of Radiology, to perform all types of orthopaedic MRI exams.

All of our images are read by musculoskeletal specialty-trained radiologists. Magnetic Resonance Imaging is a type of scan that our physicians schedule when soft tissue, which cannot be seen as well on traditional radiographs, needs to be visualized. MRI is a non-invasive procedure, which takes about 30 to 45 minutes to complete and causes no known side effects.

MRI is safe for patients with total hip or knee prostheses, but not for patients with artificial heart valves, pacemakers, or aneurysm clips. To ensure safety, the technologist will screen each patient before the exam to go over these and other questions.

Hughston Diagnostics
Hours: 7:30 AM - 5:00 PM Monday-Friday
Every other Saturday: 8:00 AM - 2:00 PM
Phone: 800-331-2910
Fax: 706-494-3453
